

We're dedicated

to both our students and our clients.

We've been educating students since 1960 for successful and exciting careers in the cosmetology industry. We're proud to provide quality and affordable clinic services to women, men and children in the community, and we truly appreciate your business.

WHY SO MANY PRICES?

Since Capri is a Beauty College filled with students at varying degrees of experience, we think it's important to offer you the student that meets your budget and your time constraints. Naturally, our most senior students are usually our quickest. In a hurry? That might be the way to go. If you're trying something new you might also feel comfortable with a level **3** or **4** student. Have you brought Junior along for a buzz cut? Go ahead and give one of our newest stylists a try.

We believe all of our prices are a great value and we're delighted to give you so many options to choose from.

Now sit back, relax and enjoy your Capri experience.
