

WHY SO MANY PRICES?

Since Capri is a Beauty College filled with students at varying degrees of experience, we think it's important to offer you the student that meets your budget and your time constraints. Naturally, our most senior students are usually our quickest. In a hurry? That might be the way to go. If you're trying something new you might also feel comfortable with a level **3** or **4** student. Have you brought Junior along for a buzz cut? Go ahead and give one of our newest stylists a try.

We believe all of our prices are a great value and we're delighted to give you so many options to choose from.

Now sit back, relax and enjoy your Capri experience.
