

State Authorization Disclosure: Teacher Training

Teacher Training licensing laws and requirements vary by state, as do *reciprocity* (a type of transfer means that another state will allow you to work under the license of your current state) and *transfer* (when a state other than your home state of licensure allows you to perform teacher services legally) regulations, renewal schedules, fees and continuing education requirements.

State Authorization is a formal determination by a higher education agency (commonly a higher education board or commission) that allows an institution to conduct certain activities within its borders. The Teacher Training Program offered through Capri Beauty College has Illinois State Authorization. If you plan to work in a State outside Illinois Borders, you may have to meet additional requirements to be licensed in other states.
